Promote the Universal Truth: We Are ONE!

Many citizens are 'waking up' & realize 'The Education' we are talking about is not just for the 4th, 8th & 12th graders; it's also for the 30, 40, & 60 year olds. All things (systems, planets, individuals) are governed by Universal Law. Life is not a matter of chance over which we have no control; life is controlled by Universal Law. (E.g. Cause & Effect, Attraction, Thought). Success or failure in life depends on knowledge & Use of Universal Law – the greatest of which is Love! (Divine Love is the greatest Force in the Universe!)

Because We Are ONE & because of The Law of Cause & Effect ["As you give, so shall you receive." - The Golden Rule]; what we do to others, we do to ourselves! ("Because life is what you think, your destiny is in your hands.") It's no secret; All is energy, We Are ONE! (Read: "The Message from Water" – M. Emoto - 2007) To live in fear, is to live without either health or happiness! We cannot fool ourselves, we're either healthy & happy or not. If not, we must ask why.

The transformation of our culture of fear, greed, & corruption & the Public Education System are the 2 major issues of our time. The 3rd is to assure Quality Government & improve the quality of life for all! How? Promote the Universal Truth: We Are ONE! [When Brother Jesus said, "We Are ONE", the so-called 'religious leaders' (Pharisees) had him crucified.]

It's time for change, real change! It's time for Quality Government – By the People & For the People. Quality Government requires Quality Leaders. You cannot have a Quality Government without Quality Leaders; & we cannot have either Quality Leaders or Quality Government without Quality Education! The NC State Education Goals & Objectives provide for Quality Education. Let's Assure their Achievement!

We cannot have a Quality Life or Quality Government without Quality Education. It's time for 'real change'; it's time for Quality Education in North Carolina. It's Time to Teach the Truth (Ts): We Are ONE! (The purpose of Life, is to Realize the Truth: We Are ONE!) A Quality Education plus Quality Government equals a Quality Life for ALL! (QE + QG = QL4A) Let's 'Teach Them To Think for Themselves'.

Life is Consciousness! Life is what you think & every thought creates! There is no use trying to reform our political, economic, & social systems if our minds are not transformed. A change in our course & culture requires a 'change in consciousness'. Life is Consciousness! Life is what we think & Every Thought Creates! (As we think, so are we & so shall we become.)

Let's learn: who we Are, the power of our thought, & to Love – All, all the time! Let's do it! Let's have a Revolution of Consciousness; Let's Teach the Universal Truth: We Are ONE & Give Every Citizen a chance to succeed! (A mind is not a 'terrible thing', but to waste it - is!)

On October 2nd, 2010 our Candidates Evaluation Committee (CEC) will recommend the candidates we should elect to our N.C. General Assembly & Senate & U.S. Congress. We will release the names to the citizens on October 12th, 2010. That will allow 21 days for our 'focused, positive thought' until November 2nd, 2010. = '7'
