

Mayor Bellamy, vice Mayor Davis, members of the Asheville City Council & distinguished citizens of Asheville, NC: I am Gene Hampton, founder of Asheville Citizens for Quality Government (ACQG).

The transformation of our culture by elimination of racism & the Public Education System are the 2 major issues of our time. The 3rd is to assure Quality Government & improve the quality of life for all!

All things (systems, planets, individuals) are governed by Universal Law. Success or failure in life depends on knowledge & use of Universal Law – the greatest of which is ‘Love’.

In conformance to the greatest law – love; & in recognition of the Universal principle of ONEness, the Buncombe County Commission established the ‘Kindness Matters’ campaign to promote Love, Peace, & Harmony in our community.

If there were only one thing children could be taught, it should be the Universal Law of Thought. A mind is not a terrible thing; but to waste it - is!

Thank you; Peace be with you; Namaste! March 24th, 2009

Namaste! It's T-5, Time To Teach The Truth; We are ONE! A Quality (healthy/happy) life begins with a quality education. Nothing is more important to a Quality life than Quality Education. The foundation of our Communities lies on Quality Education. The root cause of crime, drugs, dropouts, violence & war, is a lack of quality education. Without a doubt, education is the most powerful instrument for reducing poverty & economic inequality; improving health & social well being; ensuring life, liberty & the pursuit of happiness; & laying the foundation for sustained economic growth & “real democracy”. (Ignorance is - NOT bliss – lack of knowledge of the Truth: We are ONE!)

Democracy - “real democracy”- depends on education! You can’t have “real democracy” or quality government without inspired, informed & involved citizen oversight. You can’t have “real democracy” or quality government without quality education!

Spiritual principles are the foundation of Active, Positive citizenship! If the root cause of all our so called political, economic & social problems is “spiritual ignorance”, then the solution MUST be “spiritual education”. (Knowledge, understanding, wisdom) Spirit is ONE; ONE is All; All are ONE! ([**Ephesians 4:6**](#)) Success or failure in life depends on Knowledge & USE of Spiritual Law (Truth). ([**John 8:32**](#))
