

Chairman Gantt, members of the Buncombe County Commission & distinguished citizens of Buncombe County, & Ms Penny, I am Gene Hampton, founder of (NCCQG) - Buncombe.

There are 2 things no Human authority can control: Physical Planetary Events & Spiritual Awareness. Life would be so simple if everyone knew each person is a part of God.

All things (systems, planets, & individuals) are governed by Universal Law. Success or failure in life depends upon the knowledge & use of Spiritual Law.

The Law of Evolution is always in effect! The laws of Nature based in 'separation & duality' are now being replaced by the Law of ONE. 2009 was the last year of 'separation'; we are entering Earth's Golden Age – 'the new world' where Love, Peace, & Harmony are the basis of Life. In the 'New World' (Earth's Golden Age) the new law of the Universe is the Law of ONE! Science & Spirit are ONE!

Fear, greed, & corruption have been replaced by the 'Golden Rule', "As you give, so shall you receive." Nothing is the same, everything has changed. It's a new 'ball game' – the 'Golden Rule' is the standard for all operations & actions. Life is guided by Spiritual Law; the 'Golden Rule' is the basis of all Spiritual Law – i.e. (What we do to others, we do to ourselves.)

We would be remiss, indeed, if we failed to recognize your contribution to our New Age – Earth's Golden Age. Last year you established the 'kindness matters' campaign, promoting Love, Peace, & Harmony in our community – the basis of Life! Because of that & other actions for the common good, we are happy to give you an 'A' grade for all of 2009! Because of the 'Law of Freedom', we can all 'LiL' – 'Live in Light', & realize We Are ONE!

Thank you, & peace be with you. Namaste. March 2<sup>nd</sup>, 2010
