

Mayor Bellamy, members of the Asheville City Council & distinguished citizens of Asheville, NC: I am Gene Hampton, founder of (NCCQG) - Asheville.

There are 2 things no Human authority can control: Physical Planetary Events & Spiritual Awareness. Life would be so simple if everyone knew each person is a part of God.

All things (systems, planets, & individuals) are governed by Universal Law. Success or failure in life depends upon the knowledge & use of Spiritual Law.

The Law of Evolution is always in effect! The laws of Nature based in 'separation & duality' are now being replaced by the Law of ONE. 2009 was the last year of 'separation'; we are entering Earth's Golden Age – 'the new world' where Love, Peace, & Harmony are the basis of Life. In the 'New World' (Earth's Golden Age) the new law of the Universe is the Law of ONE! Science & Spirit are ONE! (Thank Spirit for the 'magnificent 8,000' – the square root of 1% of the world's population.)

Fear, greed, & corruption have been replaced by the 'Golden Rule', "As you give, so shall you receive." (All will prosper & be rewarded on the basis of the 'Golden Rule'.) Nothing is the same, everything has changed. It's a new 'ball game' – the 'Golden Rule' is the standard for all operations & actions. Life is guided by Spiritual Law; the 'Golden Rule' is the basis of all Spiritual Law – i.e. (What we do to others, we do to ourselves.) Because of the 'Law of Freedom' we have freedom of choice; we can choose to 'LiL' or 'DiD' – 'Live in Light' or Die in Darkness'! It's our choice.

We have about 3 years until the beginning of 2013 to complete this new phase in the shift of the ages. The last decade was the 'Age of Truth'. We wrote the essay: "Truth" in 2000 & decided to move to Asheville, NC. We knew Asheville would be a 'model' for every city in America - & so it is!

The transformation of our culture of fear, greed, & corruption & the Public Education System are underway & Quality Government is being assured because of Quality Leaders. Thank Spirit for the 'New World' (Earth's Golden Age) where Love, Peace, & Harmony are the basis of Life & all realize We Are ONE!

Thank you, & peace be with you. Namaste. March 9th, 2010
